

Transmission, Distribution & Metering

Agenda

2010 Transmission, Distribution & Metering Fall Conference
Hyatt Regency Tech Center - Denver, CO

SUNDAY - OCT. 3

2:00 - 6:00	Registration Open <i>TBD</i>
3:00 - 4:00	Joint Transmission, Distribution & Metering Executive Group Meeting <i>TBD</i>
4:00 - 5:00	Transmission Executive Group <i>TBD</i>
5:15 - 5:45	New Attendees Orientation <i>TBD</i>
6:00-8:00	Opening Reception & Exhibits <i>TBD</i> <i>Open to ALL Registrants and Guests</i> Brought to you by

MONDAY - OCT. 4

6:30	Breakfast & Exhibits TBD	
8:10	General Session TBD Welcome Speaker Richard C. Kelly, Chairman & CEO, Xcel Energy	
8:45	Financial State of the Utility Industry Dr. John Caldwell, Edison Electric Institute	
9:30	AM Break & Exhibits TBD	
	Session	Location / Speaker
10:00	Panel Session: Emerging Transmission Issues Washington Update	TBD Scott Moore, AEP David Mead, SCE Teresa Mogensen, Xcel Energy Jim Fama, EEI
12:00	Lunch & Exhibits TBD	
1:00	BREAKOUT 1 TBD Transmission Lines (E.C.O.M.) Working Group <i>Chair: Colleen Ramsey, Idaho Power Co.</i> PacifiCorp Gateway Projects • Rod Fisher, PacifiCorp IPC Broadman to Hemingway 500 kV Line Project • Doug Dockter, Idaho Power	BREAKOUT 2 TBD Protection & Control (E.C.O.M.) Working Group <i>Chair: Chris Kurtz, Kansas City Power & Light</i> ITC Compliance with PRC-005 • Brandon Desbrough, ITC Root Cause Analysis Process • Jim Riddle, Southern California Edison • Ernie Poggi, Xcel Energy • Rob Rauschenbach, Ameren
2:00	Transmission Lines Working Group Meeting	2:15: Protection & Control Working Group Meeting
2:30	PM Break & Exhibits	

Transmission, Distribution & Metering

Agenda

2010 Transmission, Distribution & Metering Fall Conference
Hyatt Regency Tech Center - Denver, CO

MONDAY - OCT. 4		TBD	
	3:00	BREAKOUT 1 TBD Planning & System Operations Working Group <i>Chair: Mohammed Ahmed, AEP</i> WECC Synchrophasor Project <ul style="list-style-type: none"> • Vickie VanZandt, WECC Operating Experiences With the Lamar DC Converter Station <ul style="list-style-type: none"> • Bob Staton, Xcel Energy 	BREAKOUT 2 TBD Substation (E.C.O.M) Working Group <i>Chair: Sheldon Silberman, Xcel Energy</i> Sustainable Substation Design <ul style="list-style-type: none"> • Gene Wyckoff, Burns & McDonnell Direct Connect 69 kV Lines <ul style="list-style-type: none"> • AEP
	4:00	Planning & System Operations Working Group Meeting	Substation Working Group Meeting
	4:30	Reliability (Trouble) Reports Working Group (Closed Session) Jim Jiottis, Northeast Utilities - Chair (Closed Session) TBD	

Transmission, Distribution & Metering

Agenda

2010 Transmission, Distribution & Metering Fall Conference
Hyatt Regency Tech Center - Denver, CO

TUESDAY - OCT. 5

6:30	 Breakfast - TBD  Exhibits - TBD	
	Session	Location / Speaker
8:00	Best Practices & Asset Management Working Group <i>Chair: Jim Jiottis, Northeast Utilities</i> The Best Practices Working Group session is an open discussion of current Transmission issues. Topics are submitted by EEI Transmission Committee members and cover areas of Transmission and Substation. The subjects include areas related to design, construction, maintenance and operations of the Transmission System. The discussion is moderated by the Transmission Executive Committee. All session attendees are encouraged to participate sharing their ideas and practices.	TBD
9:00	Working Group Meeting	
9:30	 AM Break- TBD  Exhibits - TBD	
10:00	Transmission Lines & Substation Sub-Committee <i>Chair, Sub-Committee: Leroy Lutes, Kansas City Power & Light</i> Electromagnetic Pulse (EMP) – A High Impact Low Frequency Event	TBD Scott Moore, American Electric Power
11:30	Lunch- TBD Exhibits – TBD	
	TSAC Executive Committee Lunch Meeting TBD	

Transmission, Distribution & Metering

Agenda

2010 Transmission, Distribution & Metering Fall Conference
Hyatt Regency Tech Center - Denver, CO

TUESDAY – OCT. 5

1:00	<p align="center">Asset Management <i>Chair:</i></p> <p>LIDAR Asset Management Tool</p> <p>PPL Asset Management</p>	<p align="center">TBD</p> <p>Brett Crable, Dominion</p> <p>Gerry Diehl, PPL</p>
2:30	<p align="center">PM Break TBD</p>	
3:00	<p>Technology Advances Forum Task Force <i>2nd Vice Chair: Bob Smith, Arizona Public Service Company</i></p> <p>Contractor Safety Management – Communicating Expectations and Results</p> <p>HV Broadband Over Power Lines</p> <p>DOE Superconductivity Cable</p> <p>Saturable Core Fault Current Limiter Application</p>	<p align="center">TBD</p> <p>Tess Ventress, PowerSafe System</p> <p>Nachum Sadan, Amperion Bruce Renz, Amperion</p> <p>Debbie Haught, US Department Of Energy</p> <p>Albert Nelson, Zenergy Power</p>
5:00	<p align="center">TSAC Executive Committee Meeting Working Group Chair Feedback and Draft Agenda for Denver</p> <p align="center">TBD</p>	

Transmission, Distribution & Metering

Agenda

2010 Transmission, Distribution & Metering Fall Conference
Hyatt Regency Tech Center - Denver, CO

WEDNESDAY – OCT. 6

6:30	Breakfast <i>Skyview</i>	
	Session	Location / Speaker
8:00	Power Systems <i>Chair: Ralph Bourquin, Power Systems Sub-Committee</i> Hybrid Energy Systems New System Challenges Call for New Solutions	TBD Robert Cherry, Idaho National Laboratory Richard Wakefield, KEMA
9:30	ELECTRIC PERSPECTIVES AM Break TBD ELECTRIC PERSPECTIVES	
10:00	Transmission Lines <i>Chair:</i> Multipoint AC/DC Superstation New Design Pole to Eliminate In-Line Dead-end Structures in Transmission Line	TBD Frank Barbera, Tres Amigas J. Matt Rouse, Iowa State University
11:30	Lunch <i>TBD</i>	
11:30	Joint Transmission, Distribution & Metering Executive Committee Meeting TBD
